Interest Rates

Cash Balances held on your behalf at a Program Bank earn a rate of interest that will vary over time. For more information about interest rates, including a description of how the rate is determined, please refer to the FDIC-Insured Deposit Sweep Program Disclosure Document. For current interest rates and information about comparable investment options, please visit your Portfolio Positions page on Fidelity.com.

¹ Once the Cash Balance is deposited at the Program Bank, it is no longer covered by SIPC. The deposit is eligible for FDIC insurance subject to FDIC insurance coverage limits and in accordance with FDIC rules. All of the account holder's assets at the Program Bank, including assets outside the FDIC-Insured Deposit Sweep Program will generally be counted toward the aggregate limit. In accordance with the FDIC-Insured Deposit Sweep Program Disclosure Document, customers are responsible for monitoring their total assets at a Program Bank to determine the extent of available FDIC insurance. **For more information about FDIC insurance coverage, please visit the FDIC Web site at www.FDIC.gov or call 877-ASK-FDIC.**

² This is the current list of Program Banks eligible to receive your Cash Balance. In the event that your total assets at a Program Bank (including assets that you hold with these banks outside of the FDIC-Insured Deposit Sweep Program) exceed the FDIC insurance limits, you may contact Fidelity to change the investment option for your core position, opt-out of any Program Bank or switch to another eligible Program Bank List if one is available.
